

Credit Card Authorization Form

First Equine stores credit card information via our DaySmart Veterinary Software as well as in Square software. Only the last 4 digits of the credit card is seen by personnel, therefore it is a safe and secure way to store payment information. We hope our clients find this a convenient form of payment.

We currently have a form of payment on file for you.

Please sign this form and return acknowledging we have permission to keep the card on file.

ALL WELLNESS PLAN PARTICIPANTS MUST RETAIN CREDIT CARD INFORMATION ON FILE IF PAYING MONTHLY.

Check to keep a card on file to charge at the completion of services

Should you have any questions don't hesitate to call the office at 251-377-4540.

Thank you for being a client of our practice. We appreciate you all.

Warmest Regards,

Drs Patrick, Dr. Brittany, and Dr. Bastiana
